

Safety Data Sheet

Pancreatin USP

SECTION 1

Identification

Product: Pancreatin USP PancreVed

Manufacturer/Supplier:

Doran Pharmaceutical, Inc.

Address: P.O. Box 363 James Street Smithville MO 64089

Emergency Telephone: (816) 873-3342

SECTION 2

Hazard Identification

Non-Hazardous

Precautionary statements:

Dispose of contents/container in accordance with local/regional/national/international regulations.

SECTION 3

Composition

Pancreatic Powder/PancreVed is a unique combination of enzymatic concentrate derived from porcine pancreas containing standardized lipase, protease and amylase plus esterases, peptidases, nucleases and lactase along with the fat soluble vitamins AD and E.

SECTION 4

First Aid Measures

Inhalation: Leave the contaminated area immediately and go to a fresh air source. If breathing is difficult contact a physician.

Eye Contact: Wash eyes immediately with copious amounts of water. Contact a physician if irritation persists or vision problems occur.

Skin Contact: Remove any contaminated clothing and wash the exposed skin thoroughly with soap and water. Contact a physician if irritation persists.

Ingestion: Contact a physician if you feel unwell.

SECTION 5

Firefighting Measures

For fires involving this material use an extinguisher that is appropriate for combustibles and surrounding class of fire. This product is a dust so may present an explosion risk when suspended in air in sufficient concentrations.

Firefighting procedures: Product is a dust. No special procedures required.

Section 6

Accidental Release Measures

Steps to be taken in case material is released or spilled: Sweep or mop up spilled material and dispose of in suitable container.

Waste disposal method: Disposal in dry land fill is acceptable. Ensure compliance with local, state and federal regulations.

SECTION 7

Handling and Storage

Store in a cool, dry well ventilated area. Avoid heat sources. Keep containers closed and upright.

SECTION 8

Exposure Controls/Personal Protection

Respiratory Protection: Not normally required in well ventilated areas.

Eye Protection: If abnormal conditions exist, wear

approved goggles or shields when handling. Eye wash stations should be available. Skin Protection: If abnormal conditions exist, wear gowning and oil resistant gloves when handling. Safety showers should be available.

SECTION 9

Physical Data

Boiling Point (*F): N/A

Vapor Pressure (mm Hg): N/A

Vapor density (air=1): N/A

Solubility in water: Insoluble

Appearance and odor: Light brown powder slight beef odor.

Specific Gravity (h2O=1): N/A

Percent volatile by volume (%) N/A

Evaporation rate: N/A

Section 10

Stability and Reactivity

Stability: N/A

Incompatibility: N/A

Hazardous Decomposition Products: N/A

Hazardous polymerization: N/A

Conditions to avoid: None known

SECTION 11

Toxicology Information

Acute Hazards: None Known

Chronic Hazards: None Known

This product does not contain carcinogens identified by OSHA, IARC, ACGIH, NTP or other authoritative body.

SECTION 12

Ecological Information

This mixture has not been tested. See Section 16 for any EU hazard classification information.

SECTION 13

Disposal Considerations

Dispose in accordance with local regulations.

SECTION 14

Transportation Information

DOT/TDG: Not Regulated IATA/ICAO: Not Regulated IMO/IMDG: Not Regulated

SECTION 15

Regulatory Information

All ingredients in the mixture are listed on the US EPA's Inventory of Toxic Substances (TSCA); This product is not regulated by any state government.

Pancreatin is listed on the New Jersey right-to-know hazardous substance list.

Contains no materials known by the State of California to cause cancer or reproductive toxicity. (Proposition 65)

Section 16

Other Information

The information documented in this SDS has been obtained from current and reliable sources; however it is provided without any warranty, expressed or implied, about its correctness or accuracy. Since the use, handling and disposal of this product is beyond Doran Pharmaceuticals control, it becomes the responsibility of the user to determine safe conditions for the use of this product in his own facility and to assume liability for loss, damage or expense resulting from the product's improper use. Federal, State and Municipal government agencies may have specific regulations concerning the use, storage, handling, transportation and disposal of this product that may not be delineated in this SDS. The user should review such regulations and comply accordingly.
